

Privacy, Security, and Refund Policies

1. Consumer Data Privacy Policy

The Florida Association of Teacher Educators has created this privacy statement in order to demonstrate our firm commitment to our visitor's privacy. The following discloses our information gathering and dissemination practices for this website. Information collected is never sold, rented, loaned, or the like to any third party for any reason.

Conference Registration

FATE collects visitor's contact information including e-mail addresses and financial information (like their credit card numbers) for conference registration and the purchase of products. Contact information from **conference registration forms** will be used to create a database of membership and conference registrants.

Product Orders

Contact information from **product order forms** will be used to send orders to customers. The customer's contact information is used for communicating with our customers on order related issues.

- Our site uses a product order form for customers to request information, products, and services.
- Your IP address will be used to help identify you and your shopping cart.
- Our site uses cookies to track your shopping cart.
- Financial information that is collected is used to bill the purchaser for products or services.
- All information submitted is considered confidential in nature and will not be disclosed to anyone except under a subpoena in a court of law.

Occasionally we may send mailings through the U.S. Postal Service to the address a customer provides. If you wish not to receive these mailings, please notify us by mail at: FATE, 4000 Central Florida Blvd, P.O. Box 161250, Orlando, FL 32816

2. Security Method of Transmission

FATE uses state-of-the-art technology to encrypt your financial information before it is sent. This sophisticated system scrambles your financial data as it travels from your computer to our website, making it useless to anyone but the Florida Association of Teacher Educators.

3. Refund Policy

Our goal is to exceed your expectations for quality products and service. If you are displeased with your membership and contact us within 45 days of submitting your original dues payment, your dues will be refunded. Refund policies for individual meeting registrations will be set for each meeting. Generally, if you have to cancel your registration a month before the start of the meeting, your registration fee will be refunded less a \$25 service charge. After the 30-day period, we will not be able to provide refunds.

4. Shipping

Shipping policy for this association is not applicable as nothing is shipped from internet purchases. If you have questions about this policy, please contact FATE's Executive Director.
